

KONIAG ANGAYUK (Partner) SCHOLARSHIP AGREEMENT

THE SCHOLARSHIP AMOUNT: \$10,000 PER SCHOOL YEAR

THE PURPOSE: The purpose of the Koniag Angayuk Scholarship is to identify and encourage Koniag students to become involved with Koniag and our subsidiaries. Koniag encourages our people to pursue their education and become familiar with Koniag, their Regional Native Corporation, and the employment opportunities that are available to them through Koniag's family of companies. The program is designed to encourage and promote our future leaders.

I, _____, confirm that I have read and understand the eligibility requirements for application to the Koniag Angayuk Scholarship program (below), and that the information provided in my scholarship application is current and accurate.

I understand that:

- Koniag's Angayuk Scholarship is awarded to students who are willing to intern at a Koniag subsidiary for 6-10 weeks during the summer term,
- Koniag subsidiaries are located throughout the U.S. and I may be required to travel within the U.S. to fulfill my internship (for a complete list of Koniag subsidiaries and their locations, you may visit www.koniagdevelopment.com),
- I will be required to work similar hours to those of a full-time employee during my **paid** internship, at the subsidiary I am assigned to during that summer – and that Koniag will provide travel and lodging
- My funding will continue to be renewed for the remainder of my degree, if I continue to maintain a minimum GPA of 3.0 and full-time status as a student and continue to participate in the internships.

By signing my name below, and submitting this form, along with my KEF Academic Scholarship application packet, (available at www.koniageducation.org), I am requesting to be considered for the Koniag Angayuk Scholarship.
