

KEF Scholarship Catalog

KEF offers merit-based scholarships to Koniag, Incorporated shareholders and descendants. All applicants must be Koniag, Incorporated shareholders or descendants. Descendants must have an approved shareholder descendant database application submitted and approved by Koniag, Incorporated's Shareholder Records Manager prior to any disbursement of award.

All applicants who are not currently enrolled in the Koniag, Inc. descendant or shareholder database must complete the [descendant database form](#) and submit the form to Shareholder Relations at Koniag, Inc. For more information regarding the Descendant Database Form and enrollment shareholder ID's, please e-mail shareholderrecords@koniag.com or call (800) 658-3818

General Information

Awards may vary depending on availability of funds. GPA requirements vary by award and must be met to be considered eligible for award. Applications must be postmarked or time-stamped by the posted deadline. Awarded funds are disbursed directly to the program and cannot be applied to accounts in arrears.

Special Scholarships have additional requirements for field of study which must be met. Scholarships administered on behalf of our partners also have additional eligibility requirements which are detailed in the description of each award.

Full-time college and university students who hold junior, senior, or graduate status must be accepted into degree seeking programs.

Members of the Koniag Education Foundation Board of Directors and their families are not eligible to apply for KEF scholarships and grants.

All writing is graded not only for content, but also, spelling, grammar, punctuation, and formatting. While it is permissible to have someone else proofread your work prior to submitting it, the work you submit must be your own. Parents, guardians, etc. should not apply on behalf of the student.

Letters of Recommendation

Two letters of recommendation are required for ALL NEW STUDENTS. Returning student's do not have to submit letters of recommendation (unless they are applying for the Angayuk Scholarship). Your letters of recommendation may be used for multiple KEF scholarship applications and need to be

included with each scholarship you apply for to avoid a low score on the completeness of your application

The Scholarship Committee uses letters of recommendation to evaluate your potential for success and leadership in your field of study. Letters of Recommendation should be submitted by a teacher, faculty member, academic advisor, employer, or an activity leader who knows you well and can reflect on your character, academic, scholastic and leadership ability and potential. The recommender should detail their relationship to you and how long they have known you. Letters from immediate family members are not accepted.

About Glenn Godfrey:

The Glenn Godfrey Sr. Memorial Scholarship is named in honor of Mr. Glenn Godfrey Sr., an Aleut political and social leader raised on Kodiak Island. Glenn Godfrey led an exemplary career with the State Troopers, from walking a beat to finding innovative ways to improve law enforcement in rural communities, and finally serving as Commissioner of Public Safety for the State of Alaska. At his retirement, after 32 years with the Department of Public Safety, Governor Tony Knowles said, “He has distinguished himself by his selfless dedication to public service, his commitment to protecting Alaska’s children, and meeting the unprecedented public safety challenges that followed September 11th.”

Glenn was born and raised in Kodiak and joined the Alaska State Troopers in 1970. He served as a patrol trooper in Anchorage, Juneau, and Northway, where he was responsible for drug enforcement along the Canadian border. In 1978, he was promoted as post commander for Western Alaska in Bethel where he was instrumental in the development of the Village Public Safety Officer (VPSO) program. Godfrey was later assigned to the director’s office in Anchorage and was put in charge of the VPSO program, statewide search and rescues, and the Trooper’s Special Emergency Reaction Team. Godfrey went on to serve as chief of Rural Enforcement and deputy director of the Alaska State Troopers. Knowles promoted Godfrey to director of the Trooper Division in 1995 and he succeeded Ron Otte as Commissioner of the Department in August of 2000. Upon his retirement, he was appointed to Gov. Tony Knowles’s cabinet as the Commissioner of Public Safety. Mr. Godfrey was the first Alaska Native in both posts. Godfrey also served as chairman of Koniag Inc., the ANSCA regional corporation for Kodiak, and was named “Citizen of the Year” by the Alaska Federation of Natives in 1999.

Magnel Larsen Drabek Memorial Scholarship (Pending Continued Funding)

Award: \$2,000; one recipient per year

Deadline: June 1

Requirements:

- 2.5 GPA minimum or equivalent

- Major in education, arts or cultural studies
- [KEF eligibility requirements](#)

About Magnel “Maggie” E. Drabek:

Magnel “Maggie” E. Drabek was born in Afognak village in 1926 to Olga (daughter of Evdokia (Nekrasoff) and Peter Paul Naumoff of Afognak) and Louie Larsen (a fisherman and merchant marine originally from Alesund, Norway). Maggie was known for her fortitude, practical leadership, diplomacy, humor and creativity.

In 1947 she married Henry “Hank” Alvin Drabek of Springville, N.Y., after they met in Seattle, Wash., while Hank was decommissioning the aircraft carrier Bonhomme Richard after World War II. Together they raised two sons, Anthony “Tony” John and Alvin Lawrence. Hank was overseas for many years serving in the Navy during the Korean War. Regardless of where they lived, Maggie was always involved in community activities and recognized for her talents. For example, during their years living on the Coronado Naval Base in Southern California, she won numerous artistic awards for hat designs, publicity posters and costumes.

They returned to live in Kodiak after Hank retired from the Navy. Maggie worked for many years in the Kodiak school system as a cook and later as a teacher’s aide before retiring for health reasons. Prior to her work in Kodiak schools, she served as forelady for several prominent fish processors. Maggie’s family remembers when the 1964 earthquake and tsunami struck, the only household item she grabbed before heading for high ground was her “Big Ben” alarm clock so she wouldn’t be late for work the next morning. Ironically, while she had her alarm clock, the cannery she worked at had been washed away in the night, along with her house and all the family’s belongings.

When Maggie was a young, single woman living in Washington, she gave birth to a son who she was unable to care for at the time. Maggie made the difficult decision to give him up for adoption. Her son, Roger McCracken, now lives in Bellevue, Wash., and was reunited with his two brothers in 1998 after Tony’s search for Roger proved fruitful. The families are pleased to honor Maggie’s memory through the creation of a memorial scholarship fund to support education, arts and cultural studies students.

Maggie passed away in 1990. The memory of her as a loving mother, wife, friend, sister, aunt and daughter, as well as her passion for education and Alutiiq culture, lives on.

KEF offers merit-based scholarships to shareholders and descendants. These scholarships are competitive and are scored for completeness by an independent scholarship review committee. Applications must be postmarked or time-stamped by deadline (Alaska Standard Time).

Because KEF is a private nonprofit, IRS regulations require that all scholarship and career development funds must be mailed directly to the institute where training is taking place.
