STANDARDIZED GPA FORM

Koniag Education Foundation (KEF) provides merit-based scholarships and uses an applicant's cumulative GPA following the 4.0 model to determine eligibility and award amount.

KEF recognizes that not all institutions use a standardized 4.0 model for GPA and student progress and success tracking . This form must be submitted by students with GPA using a model other than 4.0 GPA criteria. Official transcripts must also be submitted for award consideration.

This form must be completed by a school representative with the authority to confirm that the student is completing work at or above the GPA level required. This official document may be submitted to KEF by the student or directly by the institution. It is the applicant's responsibility to ensure that all documents are submitted to KEF by the stated deadline(s).
